The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

The College has a career counselling and guidance cell located in department of Agricultural Engineering. The cell functions during College hours for the counselling and guidance of the students in solving their problems related to academics and career. In order to facilitate solving of academic problems, the College has made arrangements of providing academic supervisor to each and every student at the time of admission. The students seeking admission in various courses are provided free counselling in subject choice during the admission process. The students doubts related to subject choice are listened to very carefully by the members of the admission committee and solutions of the problems are provided to the entire satisfaction of admission seekers.

The career guidance and placement cell renders free service to the students towards finding better career options by organizing lectures concerned to career planning and invites companies for campus placement. It also collects CV's of the prospective job seekers and forwards it to companies as and when required. The students are informed accordingly. The advertisement is notified on the Notice board. Similarly, the students are taught regarding preparation of Cv's and forwarding them to prospectus employers using internet. The placement cell also organizes various group discussions and interviews. Mock tests are also organized. Their performance is analyzed after every test and then a brain storming session is organized to assess their strength and weaknesses.

6.3.1 Curriculum Development

College follows the curriculum prescribed by the University, However, some senior faculty members are members of BOS and therefore they have contributed in reframing the syllabus of Newly formed Allahabad State University, Allahabad

6.3.2 Teaching and Learning

To make teaching most student centric, efforts are made to provide required facilities. Teaching in smart class rooms using ICT, group discussions, e-presentations, submission of projects in e-form, make teaching learning process more and more interactive. The staff members are making use of available technologies as and when required to make teaching, learning process more effective. Practical classes are given due importance to make students learn by doing. Programme of RAWE (Rural Agriculture Work Experience) gives opportunity to agriculture students to learn in village fields.

6.3.3 Examination and Evaluation

At college level half yearly and mid term exams are conducted and evaluation is done. Final exams are conducted by the University for which we have very smooth and fair exams at our centre. Evaluations of these exams are done by the University which again is very transparent using coding and decoding of answer books.

6.3.4 Research and Development

The College has been recognized as research centre by the earlier affiliating C.S.J.M. University, Kanpur since its inception. Due to this most of the P.G. departments and some of the UG departments are conducting research and have produced many Ph.D.s. The Institution takes suitable measures in its working for the smooth conduct and implementation of research schemes and projects sanctioned to different staff members time to time. In order to imbibe research culture among the staff members and students, the Institution encourages the participation of faculty members in conferences, workshops, seminars, symposia, training programmes, orientation programmes and refresher courses etc. Also the Institution organizes conferences, seminars and symposia on its own and also with financial support from other funding bodies like UGC.

6.3.5 Library, ICT and physical infrastructure / instrumentation
